Parents Weekend

The clouds hit and the sun came out for Plattsburgh's annual Parents Weekend. Everywhere you walked students were giving their parents a tour of the campus. Students showed Mom and Dad where they ate, slept, and the where their classrooms were.

Saturday morning was the scene of bus loads of families taking off in all directions. Families went to the Ausable Chasm, Montreal, Burlington, and they also stayed right here in Plattsburgh. Thanks to the weather, it was a great day to spend shopping and touring with our families.

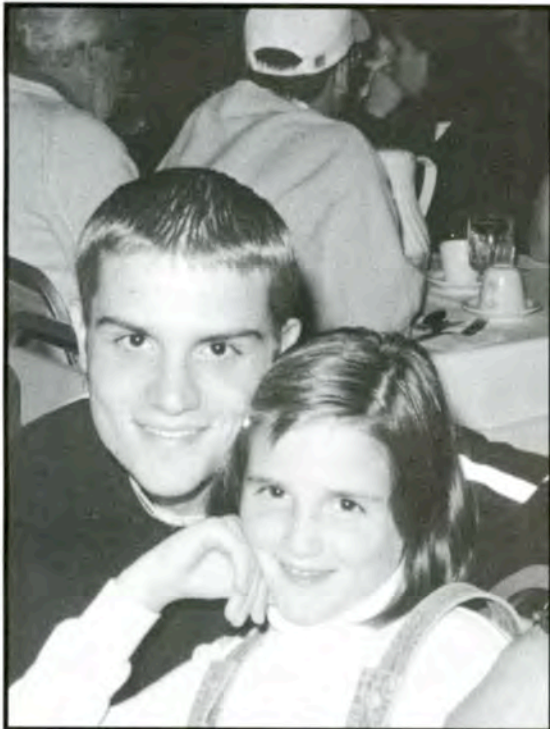

That night, families and students were privileged to hear Joe Clark give an outstanding speech! Years ago Clark became the principal of an inner city school in Paterson, NJ. The school was over run with violence and drugs, and the students desperately needed guidance. Clark provided that, and he also taught students to be successful in life. After the speech, families once again went on were on their own.

The weekend ended with a beautiful performance by the Cardinal Singers at the breakfast buffet. At the end of the weekend one thing was clear, students and parents alike equally miss each other.

Macdonough Hall Fire

A fire broke out in room 225 of Macdonough on Saturday, October 4th. The fire caused over 40 students to be relocated throughout the community and did \$150,000 in structural damage. The fire has been determined to be an accident by the Plattsburgh City Fire Department's Captain Paul Williams.

The student responsible admitted that he had been drinking before going back to his room and falling asleep while smoking a cigarette in his room. The student was pulled to safety from his room by another student when the fire began to spread.

"We were fortunate that the fire happened at a time when a lot of residents weren't at home and asleep... There was a great chance for loss of life because of the amount of smoke created" said the Associate Provost for Student Affairs, Peter Luguri.

The College provided much needed assistance and services for the displaced students. Campus life established access to a dry cleaning service. The students dropped their clothes off in the College Center Ballroom and picked them up after they had been cleaned and deodorized. The counseling center was opened for extended hours, and the Resident Assistants of the displaced students were also available for assistance. Plus many other services.

Homecoming Weekend

Plattsburgh States annual Homecoming weekend took place October 17th-19th. Once again the parade started at 10 a.m. on Saturday from the Plattsburgh Field House and ended up behind Memorial Hall. Hundreds of students and people from the community lined the streets to see all of the wonderful floats provided by the Fraternities, Sororities, other organizations and dorm councils. Everything from the Flinstones, the Brady Bunch, Star Wars to an old '57 chevy with Maryln Monroe and James Dean at the wheel were at the parade.

As soon as the parade was done, the crowd was treated to the cheers of our very own Cardinal cheerleaders. The Plattsburgh State Kickline danced their hearts away to the enjoyment of the crowd. Christopher Engl and Theresa Thomas were crowned the Man and Woman of the Year for 1998.

Pi Kappa Phi and Sigma Delta Tau won the best Greek/Organization float, as MacDough and Adirondack halls won the best dorm float. Whiteface hall and Mason won the overall best float with Star Wars. Pi Kappa Phi won the Presidents Cup for the second year in a row and Alpha Phi won the scholastic award to cap off the parade.

After the parade was over, Alumni from all different years walked around their old campus looking at their old haunts and remembering all the good old days. The whole weekend was concluded with a wonderful fireworks display.

B.S.U. Weekend

AKEBA, and the Black Student Union held their 5th annual BSU Festival. The title of this year's festival was "Breaking the Chains of Mental Slavery". As Akeba celebrates 29 years of dedicated service on the Plattsburgh State campus, the members wanted to dig into a deeper meaning of why we are here. In order to do this, we must always take a look back into our past and then envision our future.

Several events impacted this historical weekend. The first was the keynote speaker Bobby Seale, a founding member of the Black Panther Party. Seale spoke on his experiences in the Black Panther Party because he wanted to set the record straight and correct any mis-representations.

Other events that concluded the weekend were positive workshops for the brothers and sisters conducted by Reverend Blanks and Evangelist Blanks of the Baptist church located in Plattsburgh. These workshops were about who we are as women, i.e. a mother and a wife; and as men, i.e. a father, and a supporter of his family. All those who attended found it enlightening, straight forward and to the point. Zeta Phi Beta and Delta Sigma Theta put on a step show featuring comics from Def Comedy Jam.

All of the events lend a significant part to the over all theme Breaking the Chains of Mental Slavery, by teaching us not to always believe what the media tells us, that there is always two sides to the story. We were also taught to recognize our goals and strive till you can't go anymore to meet them, and finally to know who we are as individuals and as a group.

Soul'd Out

This year, the Warren Ballroom was filled with friends, relatives, and faculty in support of Soul'd Out II. Soul'd Out II is a faculty and student talent show which benefits the North Country Child Abuse Prevention Council. Sigma Delta Tau sorority and the School of Business and Economics were once again in charge of the event, that raised this year over \$600.

The acts ranged from "Magical Lights", to tap dancing. The grand finale was a rap song by the faculty. Plattsburgh's own Burghy made a special appearance to cheer with the crowd. There were refreshments served and door prizes were given out. The whole evening was a huge success. Sigma Delta Tau and The School of Business and Economics plan on hosting another Soul'd Out next year.

Mighty, Mighty Bosstones Concert

On October 29th, the Student Association presented the Mighty, Mighty Bosstones in concert with special guests Dropkick Murphy's, Amazing Royal Crowns, and Bim Scala Bim. The Plattsburgh State Field House was jam packed with students from all over, and the general public.

The opening acts set the mood for the whole field house with a high energy atmosphere, getting everyone ready for the Bosstones. The lights went out as the Bosstones took the stage. The crowd became a massive sea, complete with people crowd surfing. "The concert was the best," screamed Mike Summa.

Take Back the Night

Take Back the Night, which occurred on October 24, is the one night of the year that women demand the right to walk safely through out the streets of Plattsburgh, and live in their homes without violence. This event is organized and directed by the Center for Womyn's Concerns, whose goal is to make people aware of crimes that are being committed against women and to work towards ending that violence.

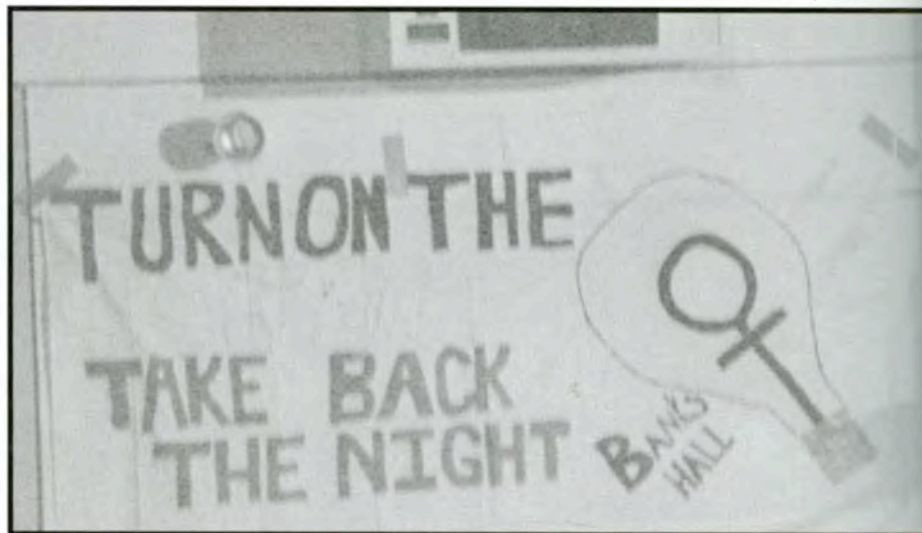

On this night, women also speak out about issues concerning all women, such as rape, violence, sexual harassment, and inequality. It is also a time for women to challenge sexism that they encounter in their daily lives, and to move towards social changes aiming to end hatred towards women.

At 5 o'clock, the speakers and local performers began to talk about the issues at hand. At six thirty, the speak out began. This gives anyone who has been affected by violence to talk about their experiences. At ten thirty the march throughout Plattsburgh began as the people shouted and chanted.

Halloween

When Autumn rolls around and pumpkins fill the town, we begin to realize Halloween is just around the corner. The question is, "What should I be?", and the craft stores are filled with the thought of Homemade costumes. Some of this years preferred costumes were: M & M's, Sting, the killer from Scream, nurses, babies, and hitmen.

We feel like kids again participating in costume parties, haunted houses, and trick-or-treating. It seems that when we were younger we grew out of many things, but Halloween was not one of them.

When you are in Plattsburgh for Halloween you can see the spirit come alive. Houses are decorated with all sorts of festive Halloween decorations, from jack-o-lanterns to scarecrows, while students walk around in all kinds of crazy and elaborate costumes.

Halloween is one holiday you can count on for participation and fun across the campus. It could be the weather, it could be the pumpkins, or maybe even the awesome costumes, but the candy is enough to make Halloween at SUNY Plattsburgh a crazy and fun holiday.

Alcohol Awareness Week

Plattsburgh State held its annual Alcohol Awareness Week and once again it was a huge success! The week's events were filled with fun and exciting activities deterring students from drinking. Among these activities was the fatal vision goggles. These goggles allowed you to experience what an intoxicated person would see and feel.

The Greek organizations also did their part in contributing to Alcohol Awareness Week. The fraternity of Pi Kappa Phi hosted a Monday Night Football event in Memorial Hall, and a Milk and Cookies night at their house. Everyone on campus was welcome at both events, as there was ample food and beverages.

Banks hall hosted a games and movie night at Java Joe's. There was a big turn out to play twister and connect four. Many students haven't played these games in years, but they remembered quickly. That Saturday night, the Quake party had the college center groovin' to the tunes. A crowd of students showed up in the blue room to dance the night away.

ACADEMICS

Plattsburgh

STATE UNIVERSITY OF NEW YORK

OFFICE OF
THE PRESIDENT

Plattsburgh, New York 12901
(518) 564-2010

Congratulations Class of 1998!

You will always be a very special class for me. You entered this college the same academic year I began my presidency. There will never be another such class for me at Plattsburgh State University.

You have reached another important milestone in your lives. Your dedication and hard work have paid off. Many of you have distinguished yourselves; all of you deserve commendations for your accomplishments, and for your overall growth.

During this phase of your lives of growth and education at SUNY Plattsburgh, we have tried to prepare you to live as members in the global society; to compete and cooperate in the global economy; and to live and work in a nation and a world of tremendous diversity and many cultures. The realities of diversity and rapid changes pose tremendous challenges to you, but provide magnificent opportunities for you. Your success will ultimately depend on how well you live with others in such a society. More than ever before, your graduation is truly a commencement, another beginning. We hope you have developed an attitude for and a commitment to life-long learning. Such a commitment is essential.

In this Information Age with continuously emerging new technologies and exploding information growth, you must be permanent students. Unlike your grandparents and probably your parents, you will change jobs and careers many times, perhaps six to ten times. You will need to be highly adaptable, and flexible and able to handle multiple horizontal and vertical tasks. Therefore, you must never finish becoming educated.

Pursue excellence in all that you do. Extend yourselves by constantly reaching for positive new experiences and more knowledge. And even though there is no indispensable person, strive to make yourselves indispensable. Always seek to move beyond your comfort zones.

To paraphrase Franklin Roosevelt: "We cannot always build the future for our students, but we can build our students for the future." You are built for the future.

Please commit to fulfill your obligations as good citizens to provide accessible, affordable, quality higher education for future students, as was provided for you.

Good Luck! Continued Growth! Continued Education! Continued Success!

Sincerely,

Horace A. Judson

Bill Laundry: The Student's Friend

As Students of the State University of New York at Plattsburgh, you not only know this man as a college official, but also as a friend to all students. Of course I'm talking about Bill Laundry.

William Laundry is a graduate of the State University of New York at Albany with a Bachelor's degree in History. He also received his Masters Degree in History from SUNY Albany.

Bill is in charge of the whole campus, as his official title is the Dean of Students. Here, Bill Laundry gets to work face to face with students from on campus as well as those who live off campus. His job is to make sure the students here receive the best education that is possible while they are here.

Bill Laundry is responsible for the Resident Assistants (R.A.s), the dorm council, as well as some of the clubs and organizations. Bill Laundry has set an example for the students of the college by being a member of the judicial hearings on campus.

William Laundry is the true friend of the student, as he dedicates himself to better the students' life here on and off campus.

Cardinal Professors

DR. CHURCH **PROFESSOR OF BUSINESS**

Dr. Church has been a professor here at the State University of New York at Plattsburgh for 21 years. She was the first woman hired to teach Business and Economics.

Dr. Church is a pioneer and learns new things continually from her students. She enjoys student projects, hands on activities, and exponential learning for her students.

Dr. Church enjoys teaching the intro classes, as well as, designing new classes. The best thing she thinks that has happened to her was coming to this college. Dr. Church admits that Plattsburgh offers the best marketing classes which is unique to Plattsburgh.

DR. WILLIAM KELTING **PROFESSOR OF ACCOUNTING**

Dr. William R. Kelting did his undergraduate study at Washington & Lee, his graduate study at Rutgers and his doctorate at Arkansas.

Dr. Kelting spent 11 years as a public accountant before he decided to try teaching. In 1975, Dr. Kelting applied for a teaching position in the accounting department at Plattsburgh State University.

Now approaching his 23 year as a well established professor in the accounting department, Dr. Kelting prides himself on treating all his students equally and with fairness.

"Dr. Kelting somehow finds a way to allow learning accounting, regardless if it is Principle of Accounting or Governmental Accounting, easier because of his quick-witted sense of humor, and we(his students) are lucky to have him as our professor" exclaimed Mike Kolonoskie.

Dr. Cavanaugh completed his undergraduate work at Bowling Green State in 1974. In 1988 he received his Masters Degree from Ohio State University.

Dr. Cavanaugh taught adolescents with learning disorders for 15 years. Unexpectedly he was asked to complete his P.h. D. program at Ohio State. Dr. Cavanaugh did not plan on teaching at the college level, and although it is vastly different from public school, he enjoys the move a great deal.

Dr. Cavanaugh was awarded the Carnegie Award for the Advancement of Teaching. In his spare time, Dr. Cavanaugh enjoys fishing, hunting, and cross country skiing. But most of all he enjoys teaching.

President's Speaker Series

MARIA FALZONE

"HOT, SEXY AND SAFE"

Falzone's message is that everyone has the right to be sexually proud and confident; that no one's sexual needs are more important than their partner's well-being; that women and men are of equal value; that access to correct sexual information is everyone's right. You'll get so much information from this program, and you'll laugh your head off too!

Maria is an accomplished comedienne who brings her own style and outrageous humor to the presentation and covers such issues as sexism and gender equity, homophobia, acquaintance rape, AIDS, alcohol, and sex.

DR. JAMES LOEWEN

"LIES MY TEACHER TOLD ME"

Professor Loewen's 1996 book, Lies My Teacher Told Me, is a blockbusting discussion of the teaching of American history. An earlier book on the history of Mississippi emphasized the role of African Americans and exposed the horrors of the advent of Jim Crow laws and the rise of the KKK.

Loewen is a distinguished teacher, scholar and civil rights activist and has long been a champion of teaching American history in a way that includes the contributions of women, minorities, Native and working people.

JOE CLARK
"AN EVENING WITH JOE CLARK"

Many bemoan the American public school classroom as a place where young people cannot learn due to drugs, violence, and vandalism. In September 1981, during the first day of class at Eastside High School, NJ, a student was stabbed. In 1982, things were different--the school's new principal, Joe Clark, was the reason why.

After two years of his leadership, Eastside High was declared a model institution by the State's Governor and Clark was named one of the nation's ten "Principals of Leadership" in 1986. Joe Clark demonstrates, through his own example, how commitment to youth can make America's future leaders better citizens and better people.

RONALD TAKAKI
**"A DIFFERENT MIRROR-
 A HISTORY OF MULTICULTURAL
 AMERICA"**

Ronald Takaki is the nation's foremost spokesperson for multicultural education. A distinguished scholar and award-winning historian, Takaki has inspired audiences throughout the world with an uplifting new vision of the richness of social diversity and its singular contributions.

His mission is to demonstrate that multiculturalism is not only an unquestionably accurate assessment of social reality but also an intellectually stimulating approach to an array of academic disciplines.

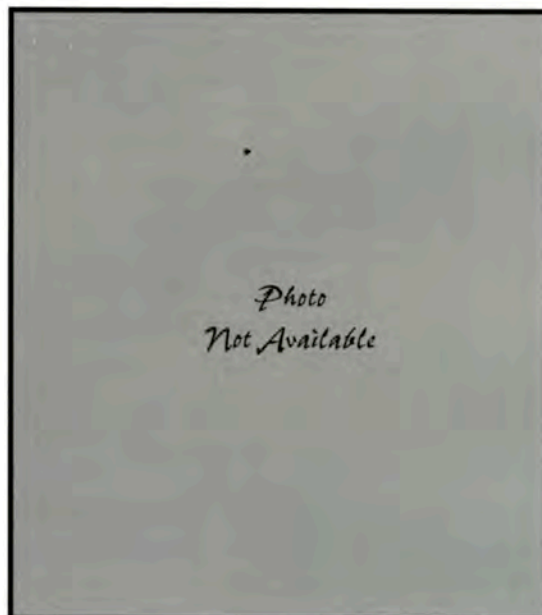

MORRIS DEES
"A PASSION FOR JUSTICE"

When KKK members lynched an African-American man in Mobile, Alabama in 1981, civil rights lawyer Morris Dees launched an historic lawsuit, winning a \$7 million settlement. In 1990, Dees won a \$12 million verdict against skinheads in Oregon.

A graduate of the University of Alabama Law School, Dees has written a number of powerful books, including *Gathering Storm: America's Militia Threat*, and *A Season for Justice*. Dees was portrayed by Wayne Rogers in *Ghosts of Mississippi*, a feature film released in 1996.

HOWARD GARDNER
"THE GENIUS OF LEADERSHIP"

Howard Gardner is best known for his theory of multiple intelligence, a critique of the notion that there exists one single intelligence that can be assessed by standard psychometric instruments. He is currently a professor of Education at Harvard's Graduate School of Education, and Professor of Neurology at Boston University's School of Medicine.

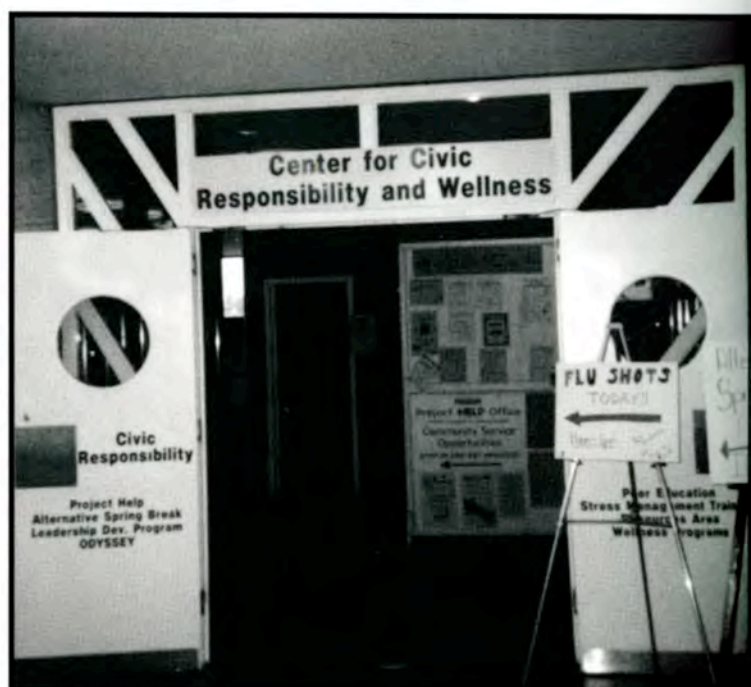

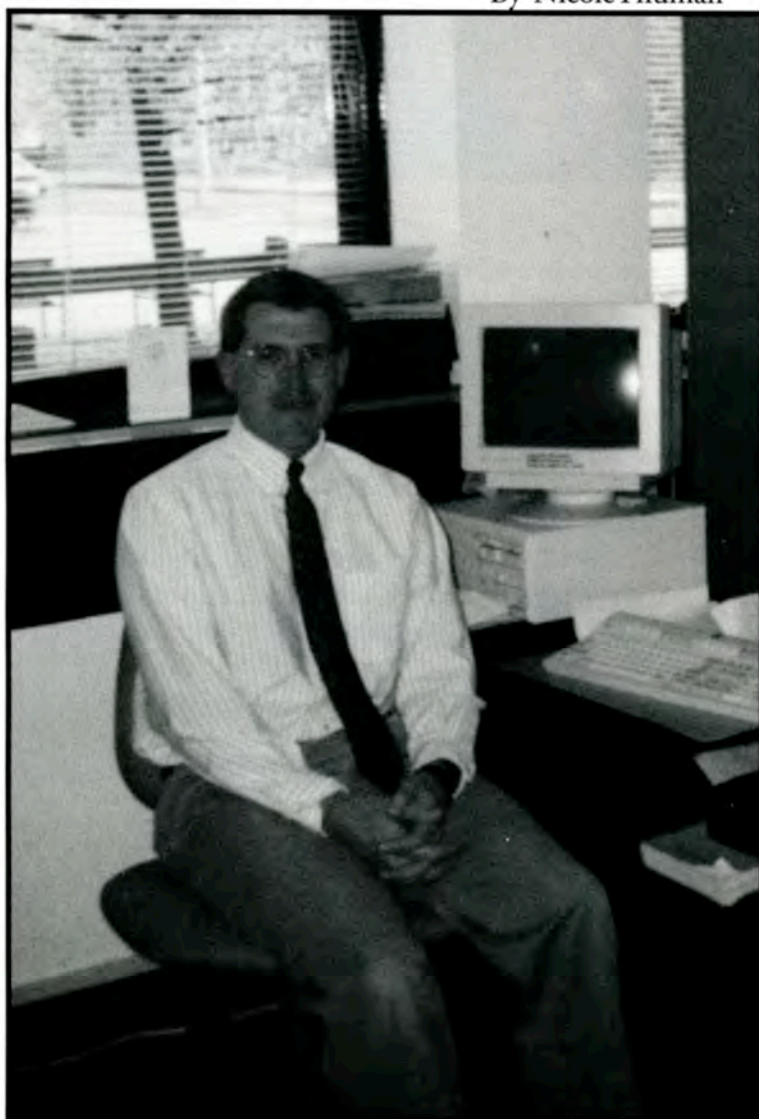

He has profoundly changed the way people think and work in education, the arts, cognitive psychology, and medicine. Most recently, he has applied his unique insight and analytic skills to a previously ignored component of business leadership: the mind of the leader and the minds of followers.

Project Help

Project Help is a program motivated by the love of helping people in need while providing individuals and groups with a rewarding and educational experience. It was started in 1994 by Brian Hartman and is a non-profit organization. Located in the Angell College center in the Center for Civic Responsibility and Wellness office, Project Help receives volunteer requests from over fifty agencies in the local area. They offer short and long term community service opportunities, including The Salvation Army soup kitchen, The Make a Wish Foundation and the Alternative Spring Break program. Project Help is a great way to get involved with the community through the school.

International Studies

Imagine yourself in the French Alps, the beaches of Italy or the historic streets of London. Now imagine yourself spending a semester at one of these and many more locations. Every year students from SUNY Plattsburgh have the chance to do just that, while earning college credits towards graduation.

The SUNY system offers over 250 different programs in over 40 countries. SUNY Plattsburgh has exchanges with Argentina, Canada, Chile, France, Italy, and the United Kingdom.

Almost all students are eligible to participate, but some of the programs do require a 2.5 GPA overall and some require a foreign language. The cost of studying abroad is less than you think. All you have to pay is the regular SUNY tuition and program fees, plus financial aid does apply.

Some of the many pluses of studying abroad is that you get a chance of learning a foreign culture, meeting many new people, making new friends, seeing some of the historical sites and plus the four weeks off for spring break does hurt either. Studying abroad is a something that not everyone has a chance to do and it is a experience of a lifetime.

I Salute You Mommy

Remember the feeling that you had
When you were pregnant with me?
You wanted a boy, but you accepted me anyway
The Pain you went through in the hospital
The Joy when you saw my crying face
On July 5th that was, do you remember?
For that I salute you mother!

Remember the nights when you
Sat up with me because I was sick?
Well I remembered when I was sick
You Prayed for me and I fell asleep
Whenever I had a stomach ache, which I always did,
You would tell me to go for the lamp
And you would put some kerosene oil on your hands
And place it over the flames and then rub my stomach
Mommy your hands were hard
They were the hands which provide food, clothing and comfort
For that I salute you mommy!!

Remember the days when you went without
Lunch at work
Just because you wanted me to have money for lunch
You went without new clothes just to
Put food on my skinny frame,
For that I salute you mama!!!

Thanks mommy for your sacrifices
Your love, the lessons you have taught me,
For all these things and more,
I salute you!!!!

Hunger

If it rained forever
this drought of mine
would still not be appeased.
I've thirsted too long,
the barren lips
have become parched
and much to frail
to be caressed.
This longing inside me
has never been long,
that is if
an eternity is forever.
A grain of sand
I crumble to
as it tears away
and I follow.
I follow
because I can only Follow,
it has been taken
and there is not return.
A trip
that has ravaged
many a soul
does join me.
And I join it:
I join the twirlers,
the marchers,
and the drummers
because it belongs there.
I eat the weeds,
swallow the ants,
and bask in the mud
she lays upon me.
All but is
plastique-pixel erotica
thrown from tongue
to tongue of populous.
The words garble
and no one can hear
the glib of a man
once possessed by it--
The man is lame,
and knows it not.

My name is Steven. I came here on a day made by God. My eye's have never witnessed so much beauty as they have witnessed today. The sun rise was the golden emperor of morning. Followed by the redness of desire. Clouds so big, I thought the mountains touched heaven. Being in the land of giants, I have definitely found my soul and thruthfulness of what being should be. Watching the Tree Swallow gently glide over the lake not fearing, made me realize how minuscule I am to this world. Surely, what do I have to offer?

Standing on the beach today. I stood in one land and looked to the opposite waters edge to find another. Wow! The impossibilities of such a feat are endless irrational thoughts. A girl of golden hair caught my attention. Surely I was in love with her. Her eyes, legs, breasts. She was love I needed but confused with desire. So I withdrew temptation and continued this days journey.

Now I sit looking at water, land, and sky. And are awed by the view I conceive I think. The clouds slowly part to reveal rays of sunshine breaking through their trying jail. Colors of imaginable magenta rainbows, fill the dark blue drop. Revealing the cyclopsed eye of God. Heat radiates off of mountains as sun shines on waters surface. Making the liquid carpet that man can never walk to its praise.

Then I died.

Plattsburgh State University Theatre Department
presents

The most cursed of all productions, the infamous Scottish play, William Skaespeare's Macbeth was presented in our own Hartman theater. Macbeth was presented by the Plattsburgh State University Theater Department on October 30 through November 1, 1997.

The Plattsburgh State Theater Department risked the curse to bring us Shakespeare's famous work filled with ghosts, witches, chivarly and tragedy. This production masterly directed by Karen Lordi was based on a condensed version of the play edited by Orsen Wells and Roger Hill in 1940.

Plattsburgh's visually original, and intricate version of the play brought the story to new heights. keeping the audience absorbed for the entire production.

With a masterful performance by Elizabeth Lucrezio (Lady Macbeth), and supurb efforts by Mark Von Holden (Banquo), Nick Rummell (Malcolm), Paul Mueller (Macduff) and the witches; Leigh Reynolds, Cara Furiosi, and April Wortmann. Macbeth was a hit and a credit to Plattsburgh's Theater departments prowess.

as dreams are made of, and our little life
is rounded with a sleep.*

ACT 4, SCENE 1

Storms! Deception! Betrayal! Forgiveness??? On February 6th and 7th, the Pendragon troupe presented William Shakespeare's final work, "The Tempest". The story of the Prospero's Island was shown to a packed audience here at Plattsburgh State's Hartman Theater.

Set in the early 1900's, Pendragon's interpretation of this seminal work is both original and captivating. Combining spectacular imagery with a hypnotizing story they captivated the audience.

"Prospero, Duke of Milan, had been dethroned by his brother, Anotonio, and placed on a small boat with his little daughter Miranda". The small boat reached a deserted island, and here Prospero met a small airy spirit, Ariel, and a deformed slave named Caliban. Prospero soon brought his usurping bother, the king of Naples, his brother, and others to the island.

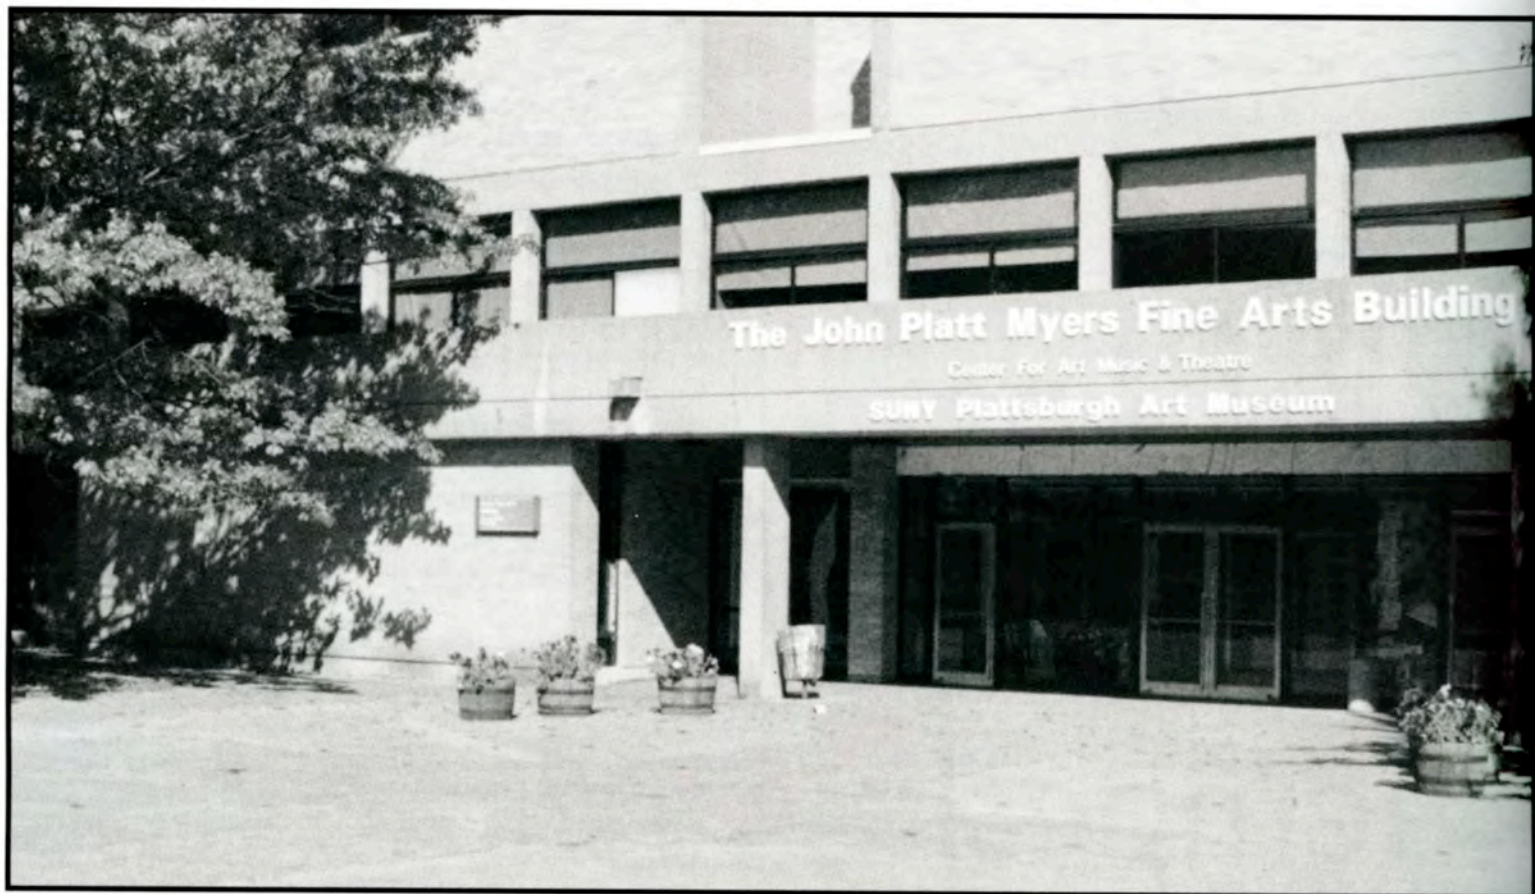

It was here that Prospero's plan unfolded. In the end, Prospero regains his title and unveils his identity to the others while bringing them back to Naples and Milan.

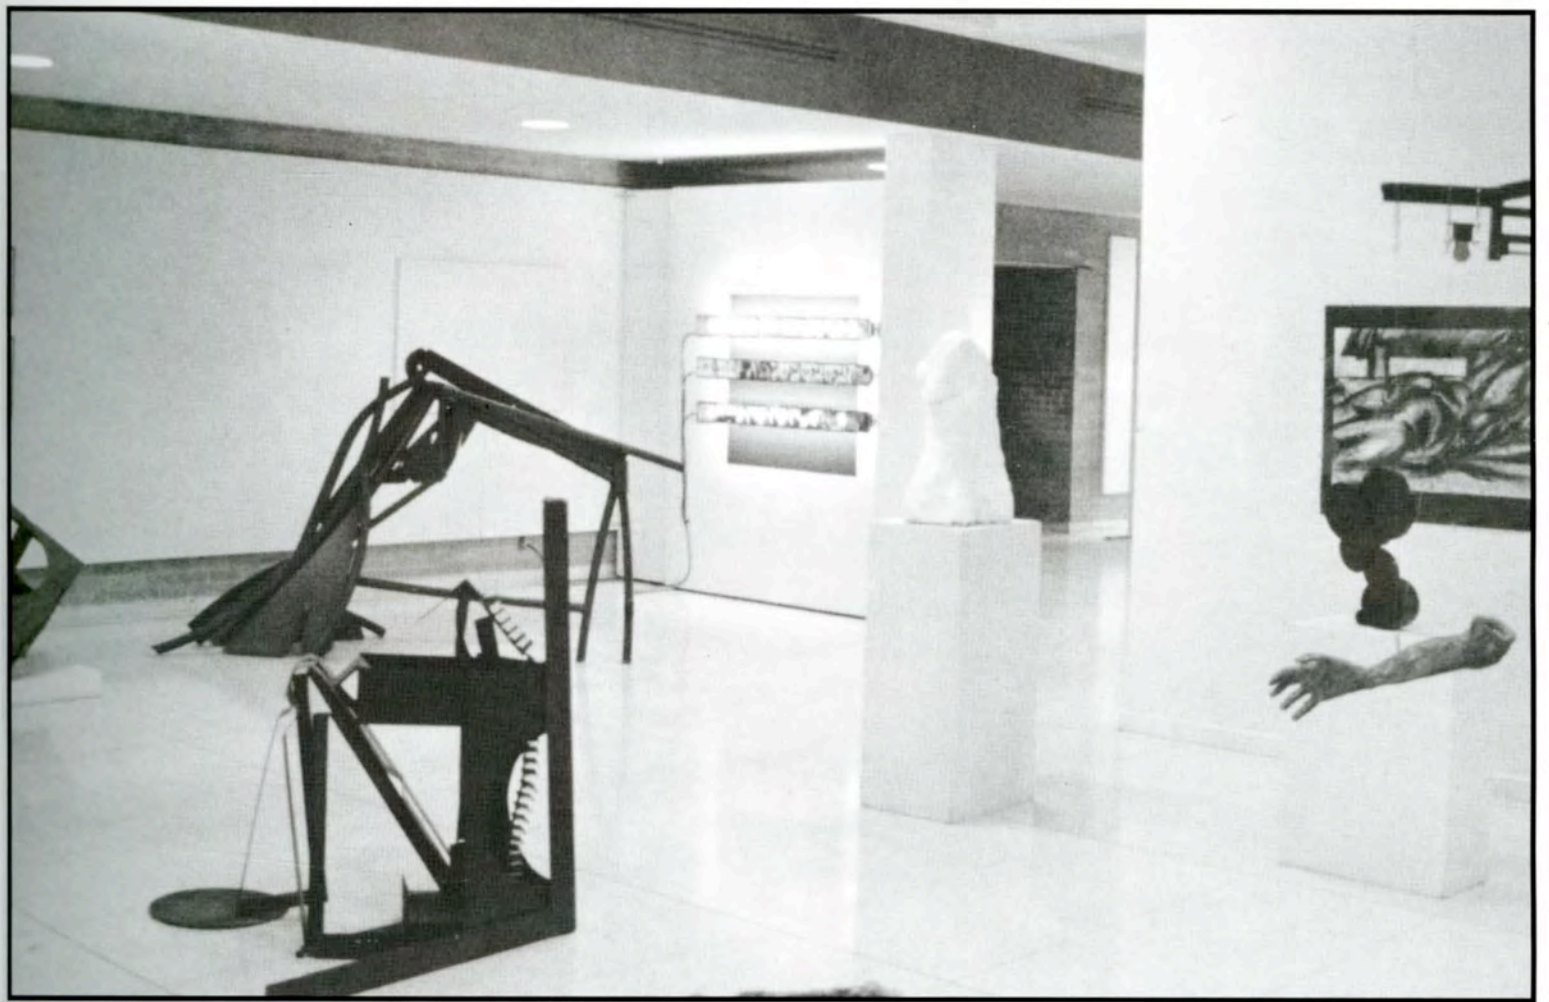

With spectacular performances by Tom McCormick (Ariel), Kim Andresen (Caliban), and Kent Streed (Trinculo) the Pendragon troupe received a thunderous ovation.

Downtown Anyone?

Decisions, decisions!! Should I go to the Pub, Peabody's or Filion's? Get a Molson, Amstel, or Rum and Coke? Answer: all of the above!!

The definition of downtown: a place where many students go to unwind, and relieve stress. Usually doing so by consuming large quantities of alcoholic beverages.

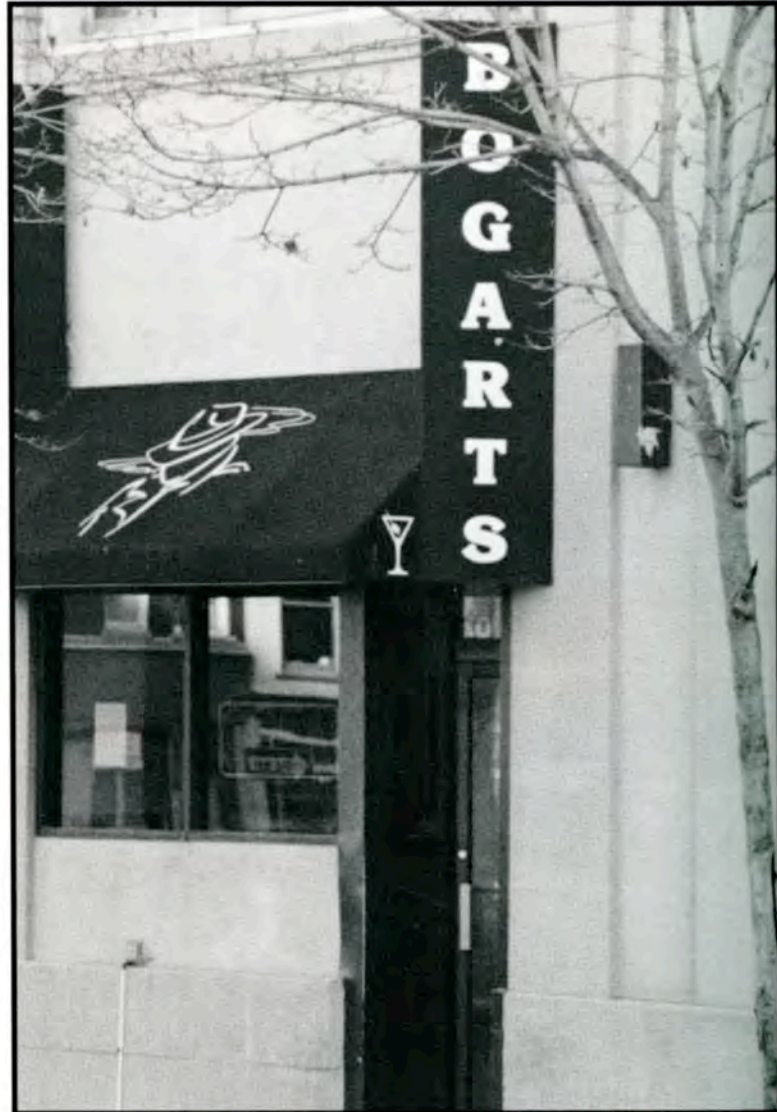

Looking around, you'll see familiar faces, swinging arm in arm, spilling from their chug-a-mugs and singing off-key to cherished songs.

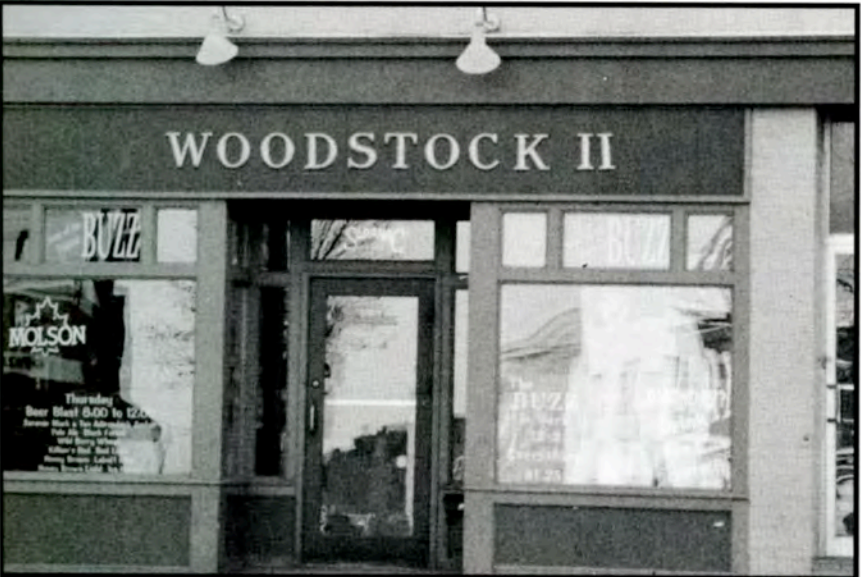

Friends chat over \$ 1.50 pitchers, cigarettes in hand, and jaws wide open after listening to the latest gossip. Glancing around, you'll see coeds getting friendlier as the hours pass by and minors unsuccessfully convincing bouncers that Utah licenses really do look like that.

As 2 a.m. nears, most head to Pizza Bono or Bo Jingles to satisfy their late night munchies. Herds of people loiter the street corners trying to catch a cab. Those who spent every last dollar on drinks wait around for the reliable free drunk bus. Others brave the cold and walk home slightly off balance.

The morning arrives and the smokey, stale stench that permeated our clothes conjures up memories of the night that crept away. These are the times to Remember.

On Campus Living

Living on campus may have its advantages, but it can also turn you into a basket case as well. Mornings usually start when one's roommate walks in from being out all night. Classes themselves are easy. Trying to make yourself go to them is the hard part. Living on campus makes it hard for you to study because of someone's loud music, Jerry Springer or Days is on. With all of these distractions, it is very hard to get yourself to concentrate on classes. And your parents wondered why you didn't get good grades your first year.

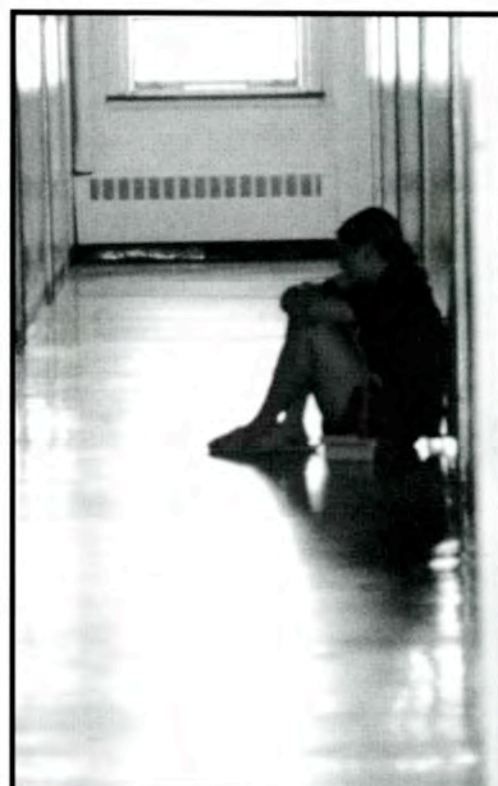

Trying to sleep is just as impossible as trying to study. People are always talking, screaming, playing loud music and just making too much noise to sleep.

Eating is an adventure on campus as well. The dining halls are always crowded, except when you have classes. The food could be better. I mean, how many different ways can you serve chicken in a week and not get sick of it??? Forget it if you are a vegetarian, they never have anything you can eat. At least you can say the facilities are clean.

They say college life is an experience all of its own. Though it is hard to sleep, study and eat; you still make a lot of friends for life. Most of the time, the people on your floor hate dorm life and you become best of friends.

Story by Nathaniel J. Johnson

Living Off Campus

After a year or two of living in the dorms, many students feel that it is time to move on and try living off campus. Students move off campus so they don't have to deal with the R.A.'s, campus dining, or freshman.

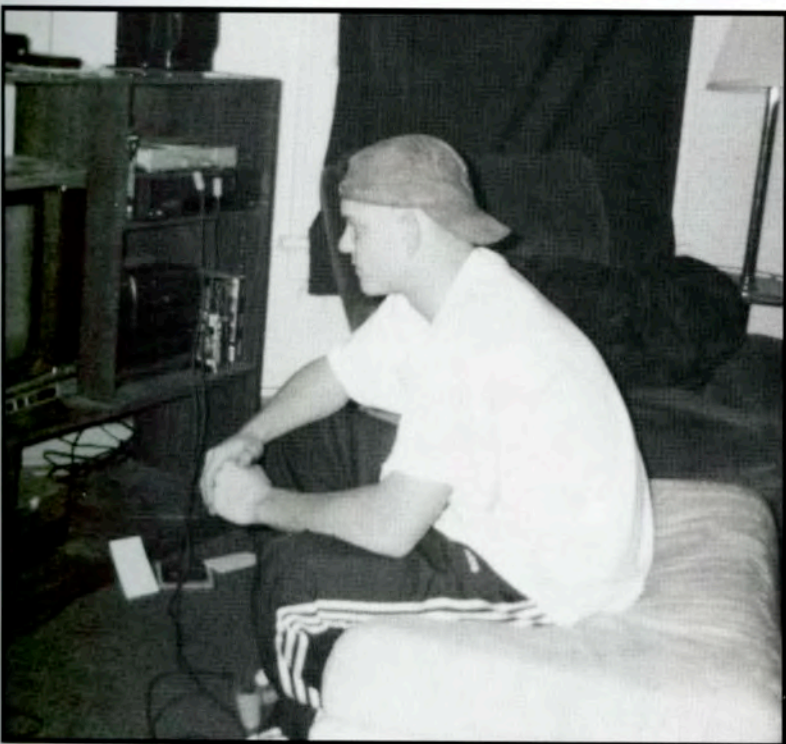

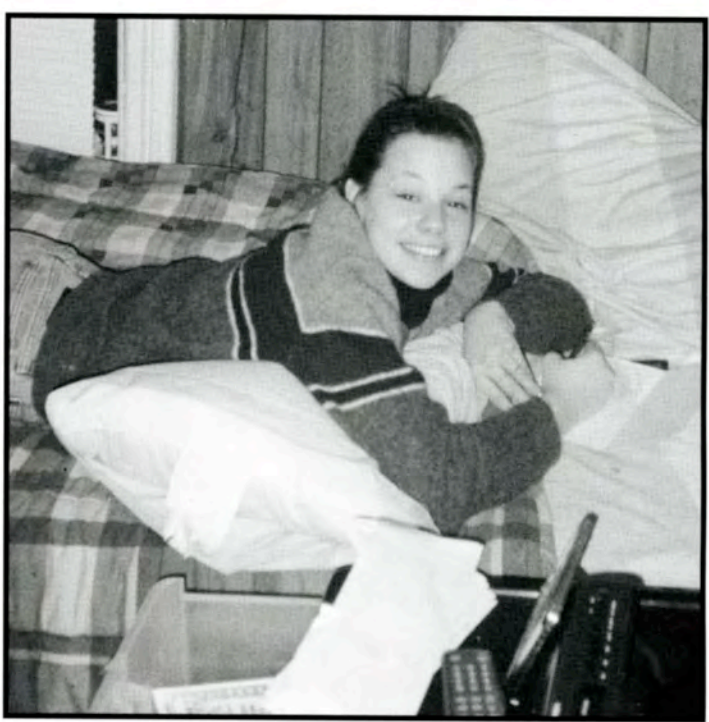

The move to an off campus apartment can be an extremely rewarding experience. You have enough private space in an apartment, you only have to share the bathroom with a couple of other people, and sometimes it is cheaper than living in the dorms.

There are certain precautions that you must take before signing the lease to your apartment. Make sure that you know the people you will be living with. If they turn out to be dead beats and start slipping on their bills, it could be a headache for everybody. Make sure you know exactly what your landlord expects, and what is included in the rent. Sometimes the utilities are included and other times they aren't.

Living off campus may not be for everybody. Sometimes it may seem like there are too many risks in moving into an apartment. However, if you are careful in finding a nice apartment with a respectable landlord, moving out of the dorms could be the best move you ever made.

By Jake Caim

Dorm

Remember that Picnic you had at the beginning of the school year, movie night, or the VCR you won at the end of the semester. Remember those Burghy games that seemed at times to easy to win. These great activities were all sponsored by your dorm council.

Council

Dorm Council consists of seven students who try to make the most of your time while you live on campus. Other activities that have been put on by dorm council : Holiday parties, study breaks, kareoke, and athletics. This is one organization that gets no recognition for their activities and community service. Dorm council is here for the students, run by the students and supports the students.

S. A. Executive

The purpose of the Student Association is to act as a legislative body which represents the Student Body. In doing so the officers of the Student Association voice the Academic, Social, and Extra-Curricular needs of the Student Body to the Faculty members and School officials. The Student Association also sponsors over one hundred organization on campus. The Student Association manages a budget of over \$800,000 in the sole benefit and improvement of the welfare of the student body.

S.A. Senate

The Student Association Senate is in charge of \$800,000 from the SA. The 15 senators in the Senate allocate money to organizations that need it. They also bring in different speakers, magicians, and other entertainers. The Senate gets to vote on bills that are presented to them by the executive council. They also sponsor movie night, the shuttle bus and a host of other things. It is through the Senate that we have all the clubs and activities on campus.

Women's Soccer

Going into the 1997 season, the Lady Cardinals were hoping for another great season after last year's State Championship and second highest winning percentage in school history. Coach Karen Wiley had a very talented team return that looked to be able to do some damage. However, the Cards managed only a 10-7-3 record, their worst record since 1990. The team did still manage its eighth straight post season appearance.

The cardinals were led this year by Senior Captain Carrie Rose and Junior Captain Jessica Allen. Strong performances were turned in by Juniors Jamie Retersdorf and Jennifer Jury. Junior transfers Jill Hubright and Keri Honors, along with Freshman Shanna Saunders, had definitive impacts on the Cardinal attack this year.

The defense was almost always spectacular. The offense, however, stalled at times this season. In the Cardinal Classic, Plattsburgh battled Division II powerhouse, Keene, to a tie. Then came the E.C.A.C.'s, where Plattsburgh made it to the final four. Despite outplaying Brockport in the final four game, the Lady Cards still came out of the game with a loss. At the State tourney, the Cards lost in the first round to Union college.

The Lady Cards, despite having an average season, still had some bright stars. Jaime Retersdorf was named to the All-SUNYAC 1st team, as well as the All-NYSWCAA and the All-Region teams. Keri Honors, Jessica Allen and Maureen Clavering were also named to the All-SUNYAC 2nd team, and Shanna Saunders being named to the 3rd team. Saunders and Honors were also named to the All-NYSWCAA.

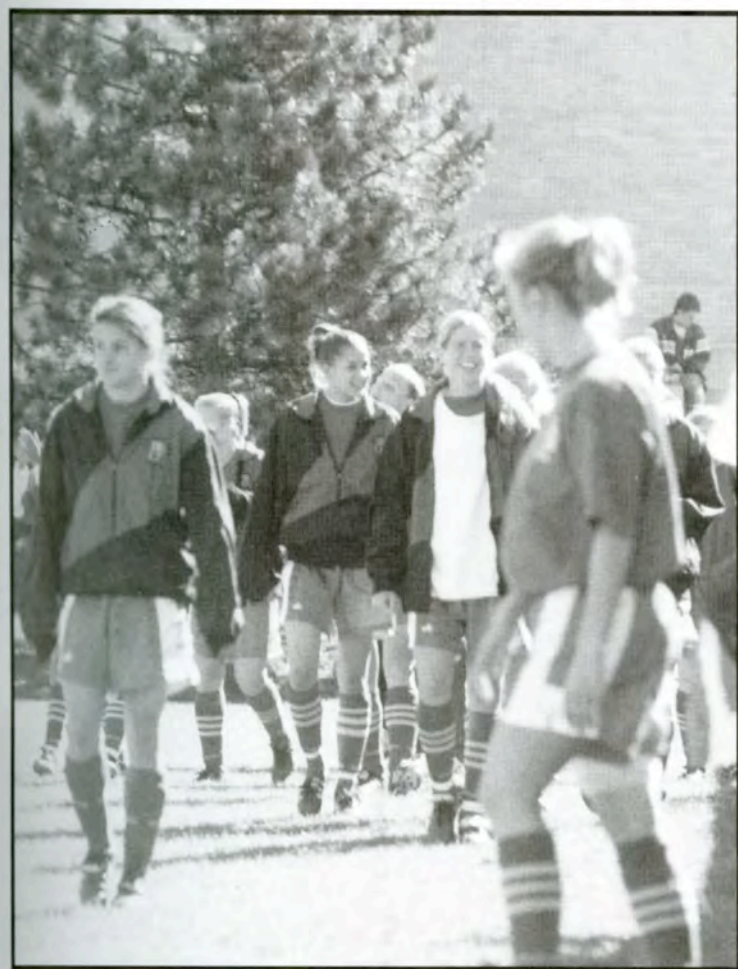

Looking back, many things were accomplished and other goals were not realized. But you can't take away anything from a team that played their hearts out. Coach Wiley's Lady Cards played with heart and determination that is now synonymous with Plattsburgh State Women's soccer.

Men's Soccer

The controversy surrounding the Cardinals at the end of a spectacular season, was how it's 15-3 record didn't get into Nationals. An equation that is used for nationals is one that Einstein would be envious of. Aside from that Major disappointment, the Cards 1997 season was anything but disappointing.

Coach Chris Waterbury once again got the most out of his players. Midfielder Andy Lauderbach had a strong season, as did forwards Dan Corbett and Aaron Gordon. Freshman Mark Hines also Provided solid play on this team of solid players.

Late in the season, a 1-0 victory at St. Lawrence was a major highlight to the season. This they thought would go along way towards nationals.

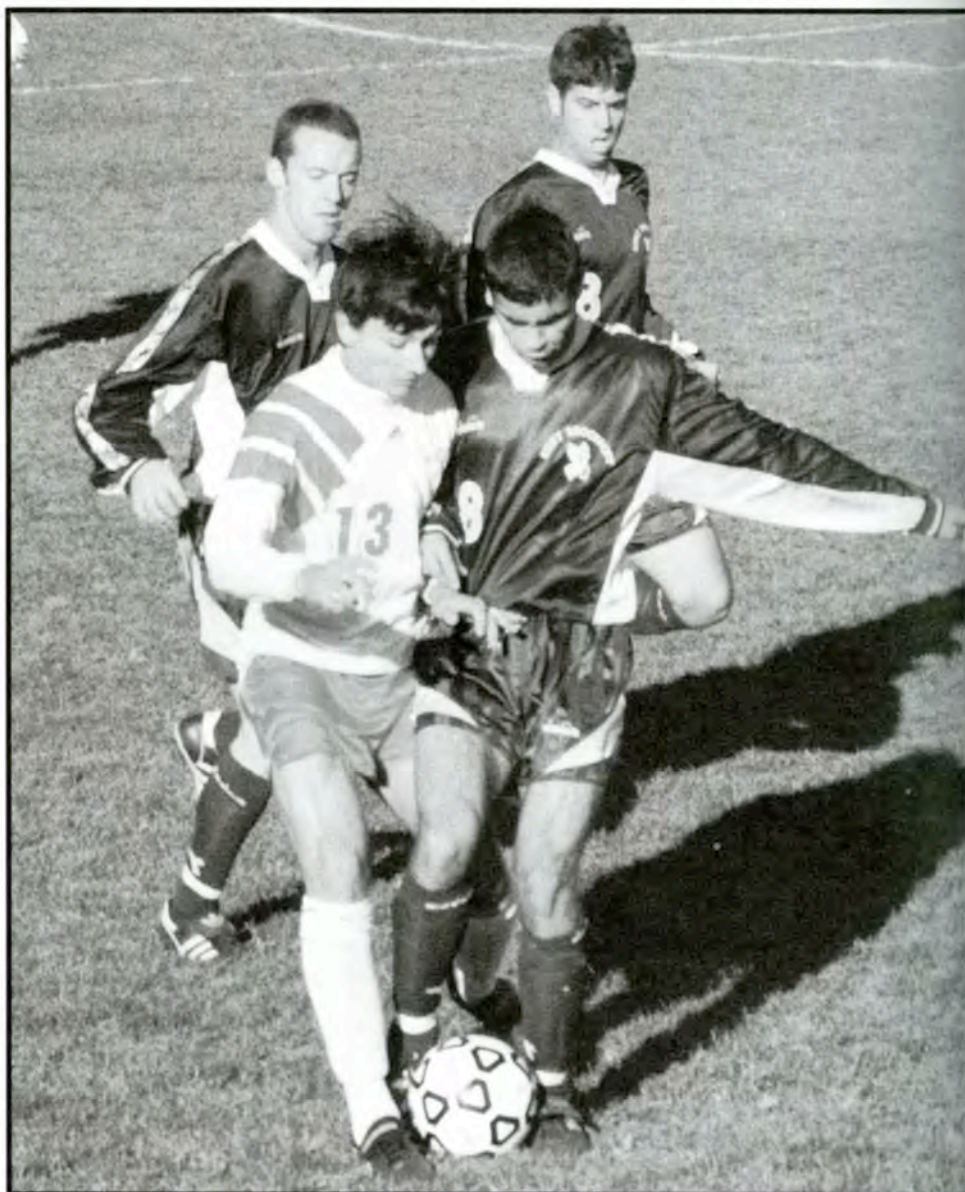

However, once the E.C.A.C. tournament came calling, Plattsburgh lost in the first round to that same St. Lawrence team. This was a crushing blow, as they expected to win the tourney.

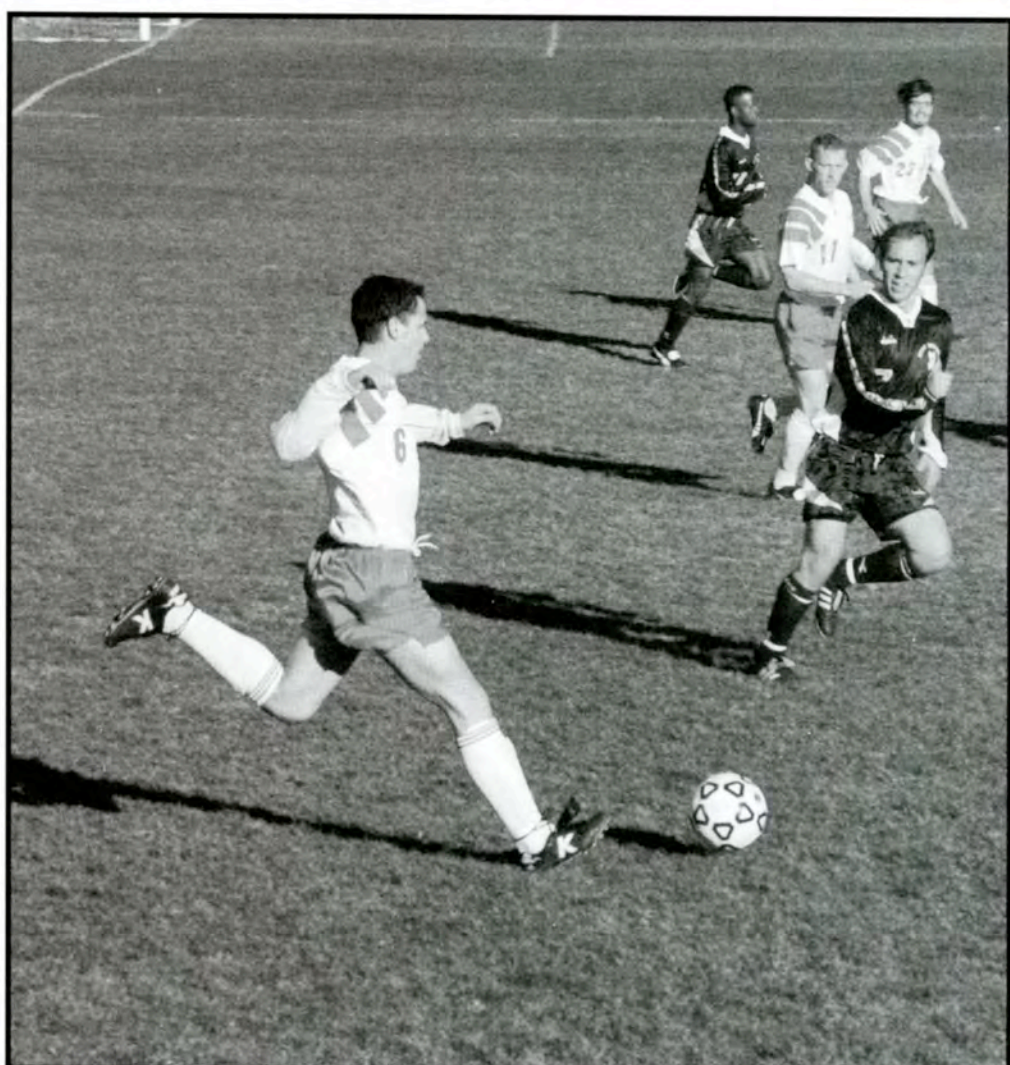

Despite the loss in the E.C.A.C.'s, the men's team had some highlights during the season. Christian Gondek lead the men in points (24) and goals (10). , and they had strong play from Frosh Marc Hinds and Junior Dan Corbett.

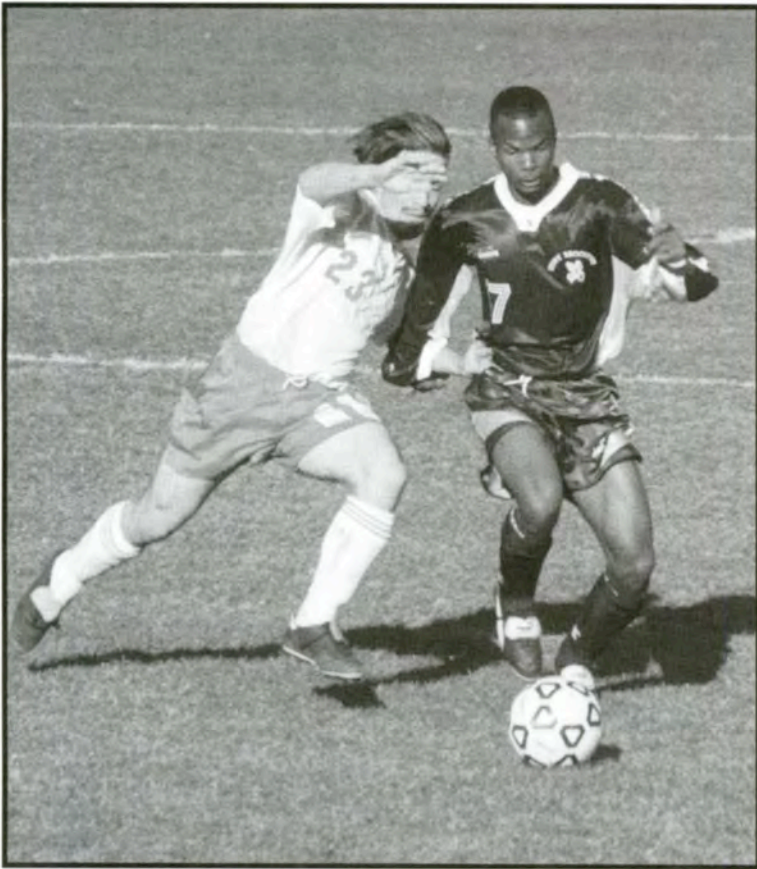

Dan Corbett and Pat McMahon capped a spectacular season with a spot on the 1st team All-SUNYAC. McMahon was named to the 1st team All-Region, and Corbett to the 2nd team All-Region. Mike Paolini was named to the 2nd team All-SUNYAC and the 3rd team All-Region. Eddie Eck was named to the 3rd team All-SUNYAC.

In all, the guys had another great season that was cut short by a process that didn't include them in the National Tournament. Their record speaks volume and they worked hard all year, played very physical, and had an all around team had opponents fearing the Cardinal attack.

Women's Volleyball

The Plattsburgh State Women's Volleyball team has had a successful year. They won the Cardinal Classic by beating Russell Sage and Clarkson. The overall record of the team was a respectable 19-17(.528). The Lady Cardinals had a home record of 5-3(.625), with a road record of 5-4(.555). In neutral sites they had a record of 9-10(.473).

In SUNYAC competition the Plattsburgh State Volleyball team had a rough year by going 3-7(.300). Although the Lady Cards finished strong winning four out of their last six matches including a wins on the road at Skidmore College, St. Lawrence, and Green Mountain.

Jackie Rotelli, who is one of the Lady Cardinals' captains, led the team in games played, kills, assists, aces, and digs. On the defensive end, Carolyn Spilman lead the team in blocks, and averaged over one block per game. Corrine Burdick, a freshman, was second on the team in games played and assists. The other two captains are senior Jen Phillippi, and Senior Kerri Heaney.

Women's Tennis

The Plattsburgh State women's tennis team closed out the 1997 season at the SUNYAC Championships at Limestone country Club in Manlius, NY with a sixth place (of 11 teams) finish.

Margrielle Wilburn, Erica Butler, and Melissa Zwick all reached the semifinals in singles. Wilburn and Butler also reached the semifinals in #2 doubles.

The Lady Cardinals began their season in impressive fashion, winning the first four matches. Plattsburgh was most successful against their North Country rivals, Potsdam and Clarkson, defeating both teams twice.

During the 1997 season, Plattsburgh was led by Zwick at #4 singles with a 7-1 match record. Wilburn and Butler combined for a stellar 6-1 match record at #1 doubles.

Cross Country

The Men's Cross country team placed 19th in the NCAA championships, their third appearance in the last four years. They placed first at SUNYACs by placing four runners in the top seven, with Walter Long becoming a SUNYAC champion. This was the team's third SUNYAC championship in the last four years. They also placed third in the NCAA region II qualifier, fifth in the ECAC. The team was also victorious in the Cardinal Classic. Outstanding performers on this year's team have included Walter Long, Cory Davidson, Jeremy Drowne, Mike Yemma, Ken Drake, Jim Roth, Steve Schmidt and Matt LoPiccolo. The team's record this year was 113-37(.753).

The Women's Cross Country team placed 21st in the NCAA championships, their first appearance since 1981. The Lady Cards also placed second in the NCAA region II qualifier by placing six runners in the top 40, second at SUNYACs, seconds at ECACs and first in the Cardinal Classic. Some outstanding performers for the women's team this year included Casa Cameron, Amy Nutt, KT Vanboden, Chrissey Torrence, Heather Spellman, Audrey Hendricks, Shannon Hayes, and Isabelle Julien. The Lady Cards finished with a record of 117-41(.740).

Special congratulations goes to coach Scott Slade for earning SUNYAC Coach of the Year honors for BOTH Men and Women. He was also awarded the NCAA Region II Women's Cross Country Coach of the Year. Slade has coached for seven years here at Plattsburgh. He has coached four athletes to the All-American level six times.

Men's Basketball

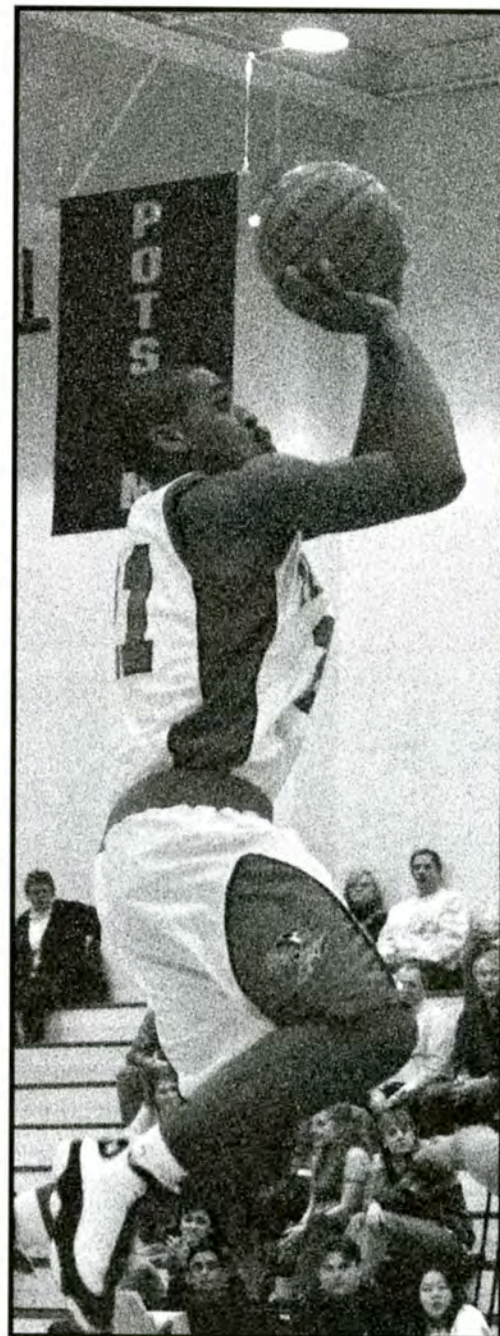

The Plattsburgh State Men's basketball team had a great 1997-1998 season by going 19-9 (.679). They started quickly out of the gate by winning the first three games of the season. The Cardinals finished the season in the same manor in which they started by winning the last ten out of twelve games. The team finished off their season by winning the ECAC championships against Binghamton, 87-77.

The Plattsburgh State Men's basketball team was lead by Gavin Mazurak who lead the team in scoring with 13.2 points per game, 7.5 rebounds per game and the average minutes played with 31.5 minutes per game.

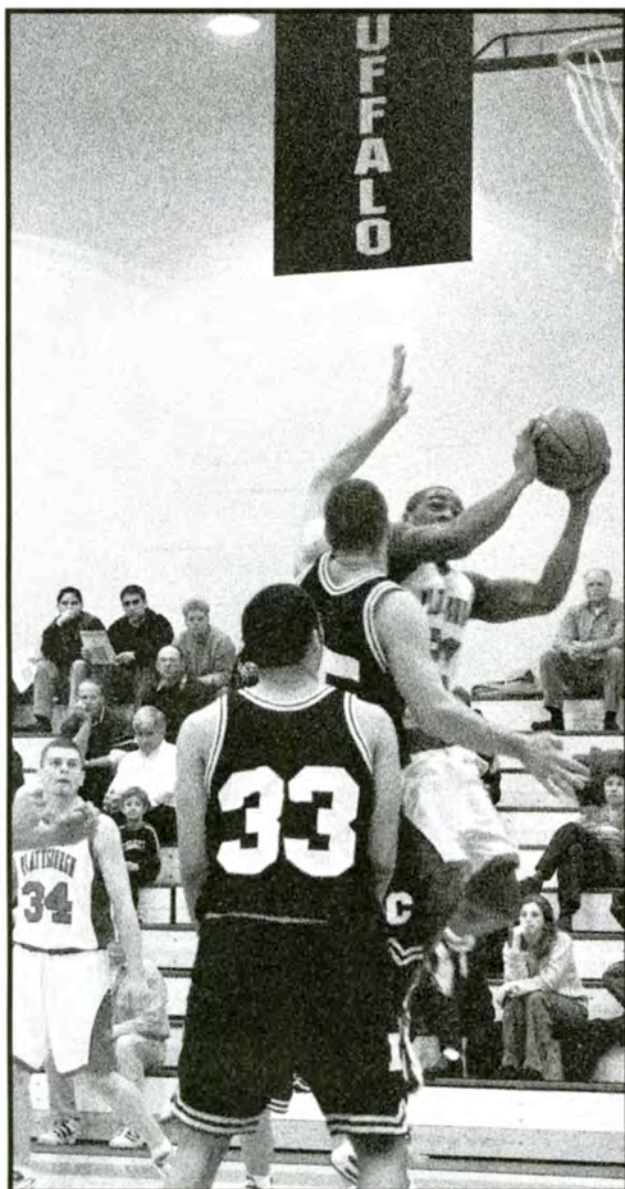

Corey Burke also had 13.2 points per game, 3.7 assists per game and an average of 26.4 minutes per game. The main shot blocker of the team was 6'8" center freshman Charles Perry with 3.4 blocks per game. The men had a tremendous season and are looking for more of the same in the years to come.

Women's Basketball

The Plattsburgh State Women's Basketball team had a disappointing season by going 12-13(.480). They started off the season with two straight losses against St. Lawrence and Vassar. Then the Lady Cards took the next five by starting off with a win against Potsdam in overtime. After that the Lady Cards could not seem to get in a groove again, especially in the late stages of the season. They were ousted in the quarterfinals of the SUNYACs by Brockport 58-36.

Katie Castine lead the team with 12.8 points per game and 8.9 rebounds per game. She also averaged 32 minutes per game. Kerry Chapin averaged 12 points, and 4.8 rebounds per game. Tara Butler, a 6'1" center, lead the team in blocks with an average of 1 per game. The Lady Cardinals suffered another disappointing season, but with the players who are returning we'll have a tremendous season next year.

Men's Ice Hockey

The Cardinals claimed the 1998 SUNYAC Ice Hockey Championship, the teams 12th all-time and it is their 5th conference championship in the 1990's. The team finished with a spectacular record of 27-8-1(.750).

By winning SUNYACs the team received an automatic bid to the NCAA tournament. The Cards lost in the semi's to the University of Wisconsin Stevens Point by a score of 8-2.

The Cards rebounded in the third place game against Augsburg College by outshooting the Auggies 25-14 in the first period. The Cards scored a total of six goals in the first period alone and went on to win by the score of 9-5.

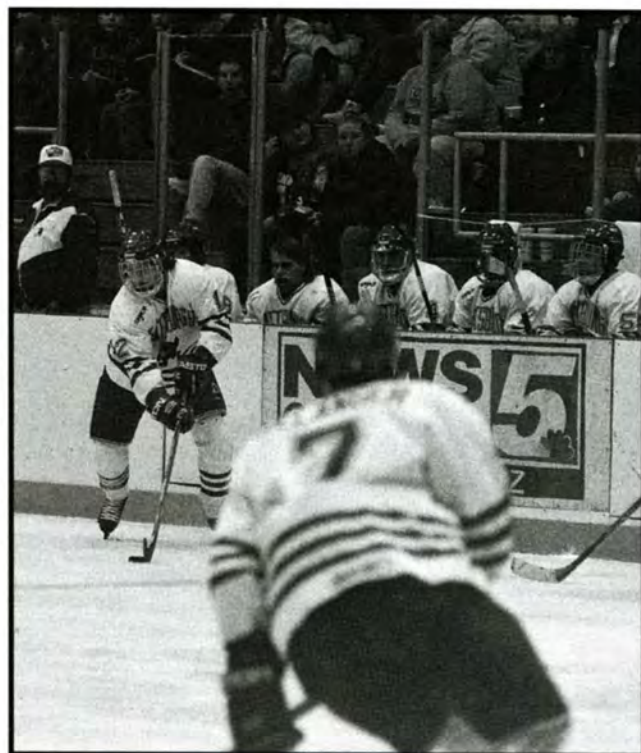

Tracey Belanger led the team in points and assists. Steve Moffat led the team in goals and power play goals. He also led the team in the playoffs with nine goals in ten post-season games. Jeff Paluseo was the team leader in short handed goals. Eric Silverman led the team with 5 game winning goals.

The team also had two first team All-Americans in Steve Moffat and Jason Desloover. Moffat has become Plattsburgh's fourth two-time ice hockey All-American and Desloover becomes the Cards' fourth All-American defenseman.

Indoor Track and Field

The Lady Cardinals placed fifth at SUNYACs this year with some high finishers in the SUNYAC championships. Freshman Laurie DeLilli became a SUNYAC Champion in two different events, the 55m (7.47) and the 200m (26.63). DeLilli also became an ECAC champion in the 55m dash with a school record time of 7.36 seconds. She also placed second in the 200m dash in another school record time of 26.40 seconds.

Kelly Duffy took home a third place at SUNYACs in the 1,000m with a time of (3:11.45) and a third place finish by the 4X800m relay team (10:18.93). The 4X800m relay team consisted of Shannon Hayes, Chrissey Torrence, Heidi Durocher, and Heather Spellman.

The Plattsburgh State Men's Indoor Track and Field team recorded their highest finish at SUNYACs since 1985. They finished second behind Fredonia, while defeating the defending champion Cortland by four points. The Cards won five individual titles and placed second in three others. The team also finished second out of 49 teams in the ECAC championships.

Chris Verkey became SUNYAC champion in the 55m hurdles (7.76) and in the 400m (50.72). Matt LoPiccolo won the 800m in the time of 1:56.08. Walter Long took a first in the 5,000m (15:39.17) and Corey Davidson placed first in the 1,000m (2:34.64) and second in the 500m (1:07.60). Mike Schmidt took a second place finish in the pole vault with a vault of 12' 6" and was on the second place 4X400m relay team with LoPiccolo, Verkey and Scott Rivard.

Senior Matt LoPiccolo finished in fifth place in the nation in the 800m which earned him All-American status. Chris Verkey missed All-American status by only 1/100th of a second. He finished seventh in the nation in the 400m in :49.79.

Swimming

The Plattsburgh State Men's Swim team finished seventh this season at SUNYACs.

Matt Buneo placed 15th in the 200 IM (2:11.04) and Plattsburgh's 200 Free Relay team of Buneo, Keith Kazmer, Andy Britto, and Jim Nowak placed seventh in 1:34.50.

Kazmer finished fourth in the 100 fly (:55.79). Buneo finished seventh in the 400 IM (4:37.03). He also finished fifth in the 200 fly with a time of (2:09.21). Kazmer finished 10th in the 200 fly with a time of 2:15.07. Despite a disappointing finish by both the Men's and Women's swim team, they have hope for a brighter future.

The Women's Swim team also finished seventh at SUNYACs. Senior captain Beth Heybyrne finished ninth while setting a school record in the 500 free with a time of 5:33.08. Senior Sue Starr placed seventh in the 50 free (:26.71). Starr also turned in a fourth place finish in the 200 fly (2:31.21). Ann White took a seventh place finish in the 100 backstroke with a time of 1:05.65, she also had a seventh place finish in the 200 backstroke.

Beth Heybyrne finished second by shattering her own school record in the 1650 free with a time of 18:49.89, beating her hold record by an amazing 25 seconds.

Sorority Life

A sorority is a home away from home; a group of women who make your adjustment to college life a little easier. Sisterhood is a term that is difficult to explain, yet it is the basis of every sorority. Sisterhood is a bond that transcends the years and any distances. Sisterhood results from sharing dreams, goals, laughter, and tears. Sororities give one a chance to make friends. It also leaves them with memories that they will cherish for years.

Sigma Delta Tau is a national sorority that was colonized in 1917, at Cornell University. It was chartered on the Plattsburgh State campus in October 1991, by women with common interests and goals.

The women of Sigma Delta Tau take pride in being dedicated to the goals established at their founding. They strive to promote service, sisterhood, unity, friendship and leadership. They maintain high standards of excellence in the academic fields of study. The national office of Sigma Delta Tau prides itself on the high academic standards and sponsors grants and educational loans through the National Foundation.

Their philanthropy is The National Committee for the Prevention of Child Abuse. Some recent awards that they have won include the Student Recognition Award for Service and Outstanding Service by a Greek Organization. They have been the sponsor for several service oriented programs, such as, Send Burghy to the Classroom, Bowl-a-thon, and the Rock-a-thon.

Alpha Phi is a sisterhood founded on the principles of mutual support, respect, and dedication to the pursuit of the highest ideal of womanhood. We have been a cornerstone of tradition since 1872 when 10 courageous women banded together to become the 4th oldest & 4th largest women's fraternity in the nation, later becoming international with the addition of the CI Chapter, University of Toronto, Canada.

The Theta Psi Chapter takes great pride in our heritage from the local sorority, Alpha Phi Gamma, founded on Oct. 5, 1981, whose original intention was to later affiliate with Alpha Phi. Fifteen years later, the Gammas reached their goal with the granting of the Theta Psi Chapter on May 5, 1996. The early success of our chapter is credited to the strong foundation provided from 15 years of local sisterhood.

Our Sisterhood has earned recognition for the highest overall GPA for Greek Organizations, and the highest GPA for a new member education class, and winning the scholastic cup this year.

We are proud of our various community service efforts, most notably in our philanthropy. The Alpha Phi Foundation, through which we raise money for the funding of Cardiac equipment and aid to transplant recipients. Our sisters are members of the Dean's List, ODK, Order of Omega, and FHS honor societies.

Despite a century of growth and change, Alpha Phi remains true to the original mission of its founders. The Theta Psi Chapter, along with all Alpha Phi's today, share the same proud traditions, the same collection of values, and the same timeless bonds of friendship that has remained unbroken since 1872.

The sisters of Alpha Kappa Phi came back on campus strong with a third place finish on their homecoming float with Pi Alpha Nu. The sisters not only celebrated a successful homecoming, but also a huge turnout to their annual alumni party. Many alum came back home to celebrate many years of tradition with the current sisters. It was a joyous occasion for all of us, and one of great remembrance.

The sisters have been very busy this year. The sisters are proud to have been commended for their outstanding effort and participation on community service. They have occupied and donated much of their time to several different projects during the school year. This year the sisters have enjoyed spending time at the Teddy Bear Day Care Center, where they tend to, take care of, and play with young children of various age levels.

We also have played with the kids at the Salvation Army along with the brothers of Pi Kappa Phi, which we found to be a rewarding and enjoyable experience. Other community projects that the sisters have taken part in, involved healthy, fun, exercise such as the Memory Walk, and the Sears Roebuck walk. Many sisters also participated in a coin drive to raise money for the Plattsburgh Soup Kitchen in conjunction with the brothers of Pi Kappa Phi.

The sisters of Alpha Kappa Phi were proud to take part and show their support for the college and their community. They will continue to do so for their many years to come at this institution. The sisters would also like to congratulate all graduating Seniors and wish them the best of Luck!!!

Phi Kappa Chi is a local sorority that has been around for 104 years. We are known as the Clios. Our symbol is the daisy. The Clionian Sorority originated as a literary society in Geneseo in 1872.

The sorority has been on the Plattsburgh campus for thirty-four years. They are known as Clios. Clio is the Greek muse of history. Their colors are yellow and white, the colors of love.

Their sisterhood means a lot to them. They work together to make their sorority one of the most reputable on campus. They work towards meeting goals for their philanthropy, which is the AIDS Council. They take pride on their close bonds and everlasting loyalty.

Community service, as well as service to the school, are very important parts of our sorority. Because we are a social organization, we are very involved with interfraternity events. These events range from homecoming, to Greek week, and to banquets.

Greek life is a big part of Plattsburgh, and we are proud to be a part of it.

Alpha Epsilon Phi National Sorority began at Barnard College on October 24, 1909. Since that date, they have chartered over 85 chapters, both nationally and internationally. On May 1, 1988, the Phi Tau Chapter of Alpha Epsilon Phi was established at SUNY Plattsburgh.

Alpha Epsilon Phi, Nicknamed A-E-Phi, opens its doors to friendship, love and sisterhood by practicing tolerance and respect for all. They uphold the highest ideals of womanhood and strive to make the experiences of college women across the country as rewarding as they can be.

A-E-Phi's philanthropy is Cystic Fibrosis, but some of their other endeavors have included their annual "Jail and Bail" for the benefit of the Aids council.

Their biggest emphasis lies with scholarship, academics and leadership, as many of their sisters are leaders on and around the campus community. Alpha Epsilon Phi's motto is Multa Corda, Una Causa.... Many Hearts, One Purpose.

Delta Phi Epsilon International Sorority was founded on March 17, 1917 at NYU Law School by five women: Dorothy Cohen Schwartzman, Ida Bienstock Landau, Minna Goldsmith Mahler, Eve Effron Robin, and Sylvia Steirman Cohn. Five years later, it was internationalized at McGill University in Montreal, on December 5th. Plattsburgh State University colonized their first national sorority on September 13, 1987. Finally the Epsilon Pi chapter was chartered on December 10th of the following year.

In September 1997, the sisters of Delta Phi Epsilon hosted a banquet at Bluff Point in honor of their ten year anniversary. Some of the guest speakers included: Mary Ellen Gillespie (Coordinator of Greek Affairs), Mary Beth Engelbride (Chapter Advisor), Allison Xenakis (Founding President) and Amanda Johnson, the current President.

The sisters of Delta Phi Epsilon have supported, both nationally and locally, three philanthropies: Cystic Fibrosis, Anorexia Nervosa and Associated Disorders, and Delta Phi Epsilon Scholarship foundation, for over forty years.

At this time we would like to take the opportunity to congratulate and wish the best of luck to our graduating sisters:

Fraternity Life

Becoming a member of a fraternity can be a great college experience. No other group at this college can offer one the brotherhood, inter fraternal camaraderie, and social activities that a fraternity can.

Fraternity members are highly visible on campus. Holding positions as resident assistants, student government, in other clubs and organizations and leaders throughout the college community. Joining a fraternity is a life long commitment. Greek alumni always have a place to call home, and college men to call brothers.

In 1904, at the College of Charleston, in Charleston South Carolina, three men had an idea. These men, Andrew Alexander Kroeg Jr., Simon Fogarty Jr., and Lawrence Harry Mixon in an effort to further their bonds of friendship, founded the fraternity of Pi Kappa Phi.

Over ninety years later, Pi Kappa Phi is one of the largest fraternities in the country. With over 140 active chapters and 69,000 strong, the brothers of Pi Kappa Phi strive for excellence in scholarship, leadership, diversity, and service.

The Eta Kappa chapter was chartered at Plattsburgh State on April 16, 1993. Eta Kappa marks the 178th charter extended to an undergraduate school. We of the Eta Kappa chapter strive to meet the standards of Pi Kappa Phi and Southern Gentlemanship.

Having initiated over 137 men and received numerous awards including the prestigious Presidents Cup for community service, the Pi Kapps are a strong presence on campus. You can find Pi Kapps all around filling rolls in: Student Government, Resident Assistants, and campus media. Our service to our philanthropies of PUSH America and the North Country Center for Independence, organizations helping the disabled across the country, also help fill us with a sense of pride that comes with service to our fellow man.

The advantages that come with being a Pi Kapp include prestige, friendship, campus leadership, intra-

mural sports and athletics, and brotherhood.

Yet as our brotherhood has grown throughout our college careers, we must all say goodbye.

So to our graduating Seniors: Mark Switzer, Devin Martinez, Ian Hammeroff, Sean Bradley, Chris Saretto, Kurt Glass, Semyon Shnayderman, and Mike Kolonoskie, we wish you the best of luck, and hope that you get all that you so richly deserve.

Sigma Pi is a international fraternity that was founded in 1897 at Vincennes University by William Raper Kennedy, James Thompson Kingsbury, George Martin Patterson, and Rolin Rosco James.

On November 30, 1984, their group was pinned as a colony of Sigma Pi Fraternity. It took their organization only one year to get it's petition for a charter approved by the Sigma Pi National Fraternity.

The Zeta-Theta Chapter of Sigma Pi International Fraternity was chartered on January 26, 1985 as the 148th chapter. Sigma Pi is a brotherhood that advances Truth and Justice, promotes Scholarship, encourages Chivalry, diffuses Culture, and develops Character in the Service of God and Man.

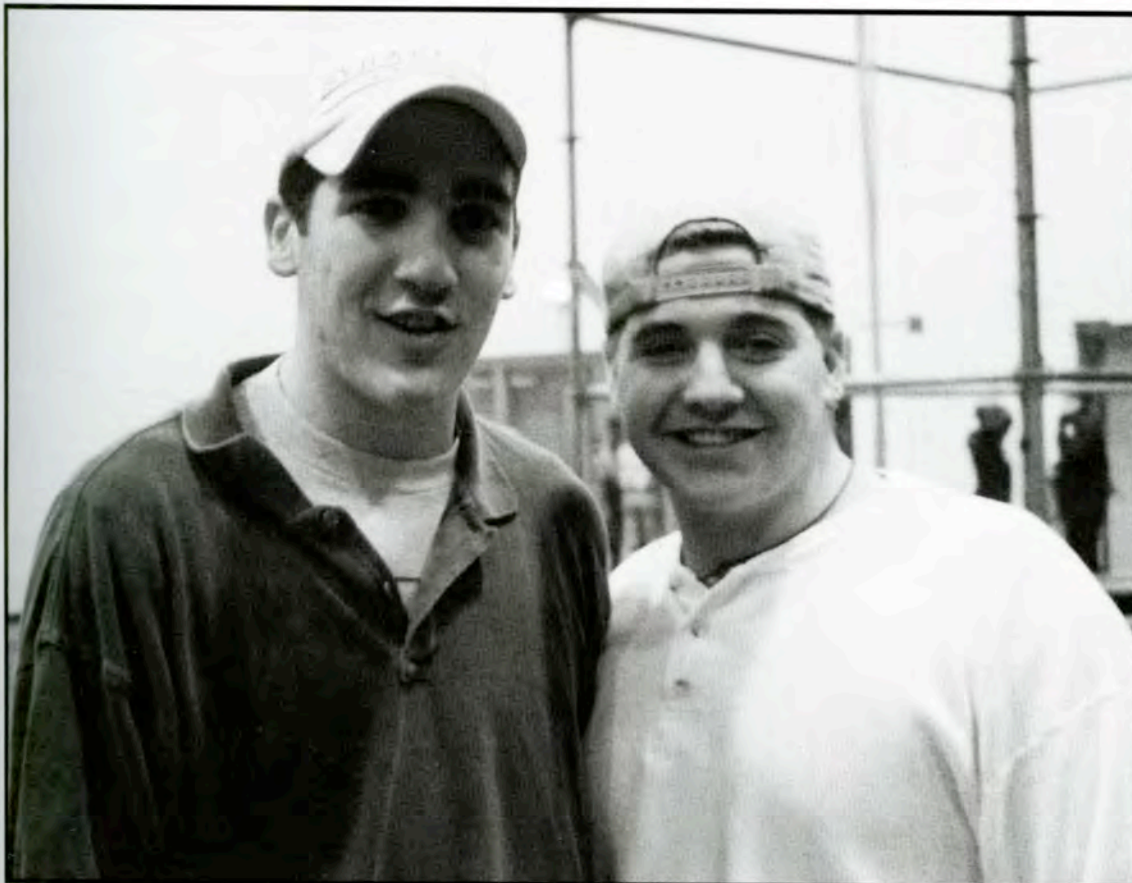

Since their charter date, Sigma pi has become one of the tightest Greek Organizations at SUNY Plattsburgh, symbolizing the true essence of Brotherhood.

We are one of the largest social fraternities in North America, consisting of over 300 chapters and 180,000 brothers. We started in the spring of 1988, TKE is one of the newest fraternities on the Plattsburgh State campus. Since then we have been working toward building a solid fraternity and a strong bond between every brother. TKE encourages academic, athletic, and social achievement by encouraging brothers to strive mentally, physically, and morally. Within the Greek system we have placed competitively in most intramural activities and completed extensive hours of community service.

Alpha Sigma Phi Fraternity is a national fraternity that was founded at Yale in 1845. It is the tenth oldest fraternity in the nation with over 40,000 active members and over 250,000 alumni nationwide.

Alpha Sigs first came to Plattsburgh in 1986 when a group of twenty-one men sought to make a difference in the existing Greek community on campus.

Alpha Sigma Phi was founded for the purpose of enhancing the individual both socially and academically. As our number of initiated brothers at Delta Xi grows toward 200 we will not forget the purposes for which this organization was formed.

Nu Theta Gamma was founded at Plattsburgh on December 10, 1986 as a chapter of the regional fraternity Theta Gamma. Other chapters exist at Delhi, Alfred, Oneonta, Canton and they have recently expanded into parts of Canada at Carlton and Ottawa Universities.

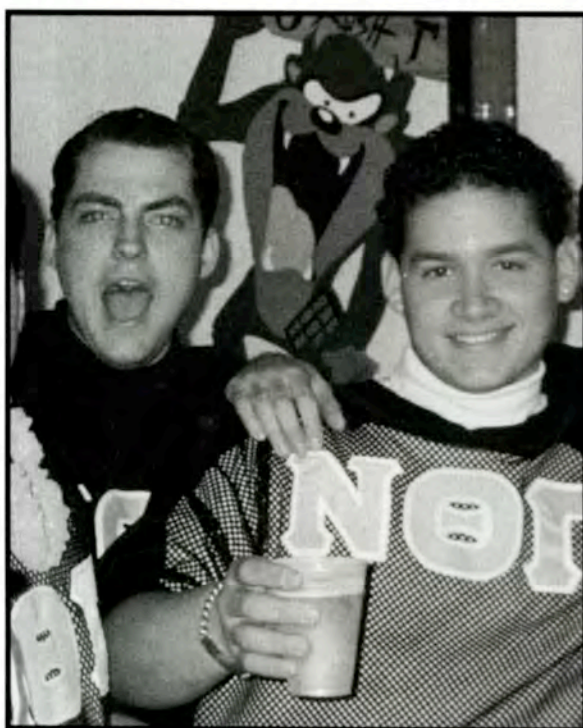

We take pride in our closeness to each other as well as in Theta Gamma traditions that extend back to 1912 when the first Theta Gamma Chapter was founded at Canton. We are also unique in the fact that we have great ties with our brothers at the other chapters as well as with our alumni. For us, brotherhood lasts well beyond the college years and stays with us for life.

The brothers of Nu Theta Gamma have been involved in many charitable activities in the past and currently their efforts benefit Camp Ta-Kum-Ta, which is for children with cancer.

Along with these fund-raisers, we also are greatly involved in many service projects which better the campus and the community.

Another important aspect of college life is involvement in extracurricular activities, which is why along with social activities, many of our brothers are involved in the Student Government, and various clubs.

They have won the President's Cup in 1994 and are always competitive in Homecoming and Greek Olympic events.

When Carl was ten ears old he would like to sit in the front seat of the car so he could see where we were driving. He would ask every question that would come into an active mind. His teachers would say that Carl "had a lot of information" which he translated into his writing. The expression of himself makes him a unique human being both in intellect and emotion. As in all relationships of father and son, conflict of ideas sometime clouded daily life. Carl was always interested in the difference of thought that occurred between generations and translated that into understanding.

Dear Jeff,

When you were born we thanked God for our new son. Through the years and all your milestones, we thought you were wonderful.

Now as you graduate, we are very proud of you.

We think you are wonderful.

*Love,
Mom and Dad*

Congratulations, Cristina, on reaching this threshold. . . Continue on and savor the journey.

*Love and Pride,
Ma, Pa, Liana & Kari*

Thomas Super,

The end of another successful chapter in your life. We are so proud of you and your accomplishments.

As you now enter the world of reality with all life's trials and tribulations, we pray to God for continued success and happiness.

Remember wherever life takes you, our love and support will always be at home.

*Love,
Mom and Dad*

Congratulations, Denise Marrone on your graduation. We're so proud of you and your accomplishments, including your membership in Omicron Delta Kappa.

We wish best of luck, and a future full of success and a good fortune.

*We love you always,
Mom, Dad, Theresa
and the entire Marrone family*

Dear Joe,

*Good RV driver, travel companion. Everyone's dream; we made our reality. Wolves, Eagles, Bears, the Bobcat and Musk Ox. Rainbow's end, pictures to prove it (Arctic Ocean - Coldfoot - Deadhorse - Rocky Roads). Sea creatures, Blue ice, inside passage, Redwood trees, Mojave Desert and the Grand Canyon. You're 21st - Golden Gate Bridge. Don't forget Traveler's Chapel in Wall, SD (Badlands) or devil's Tower. You know what I mean. Memories Forever,
Dad*

Jennifer Molly,

As you embark on a new phase of your life. May all your dreams and aspirations come true. May you be happy, healthy and successful. Your perseverance and academic achievement has been inspiring. You are a special person and being your parents has been an honor.

*Love,
Mom and Dad*

Jay,

Congratulations on a job well done! We are proud of you.

Congratulations to Susan Segal on her graduation from SUNY Plattsburgh. She has made her entire family so proud of her - especially her parents and grandfather. Whatever other accomplishments her future might hold, this moment will always be remembered with pride and happiness.

Dear Jeff,

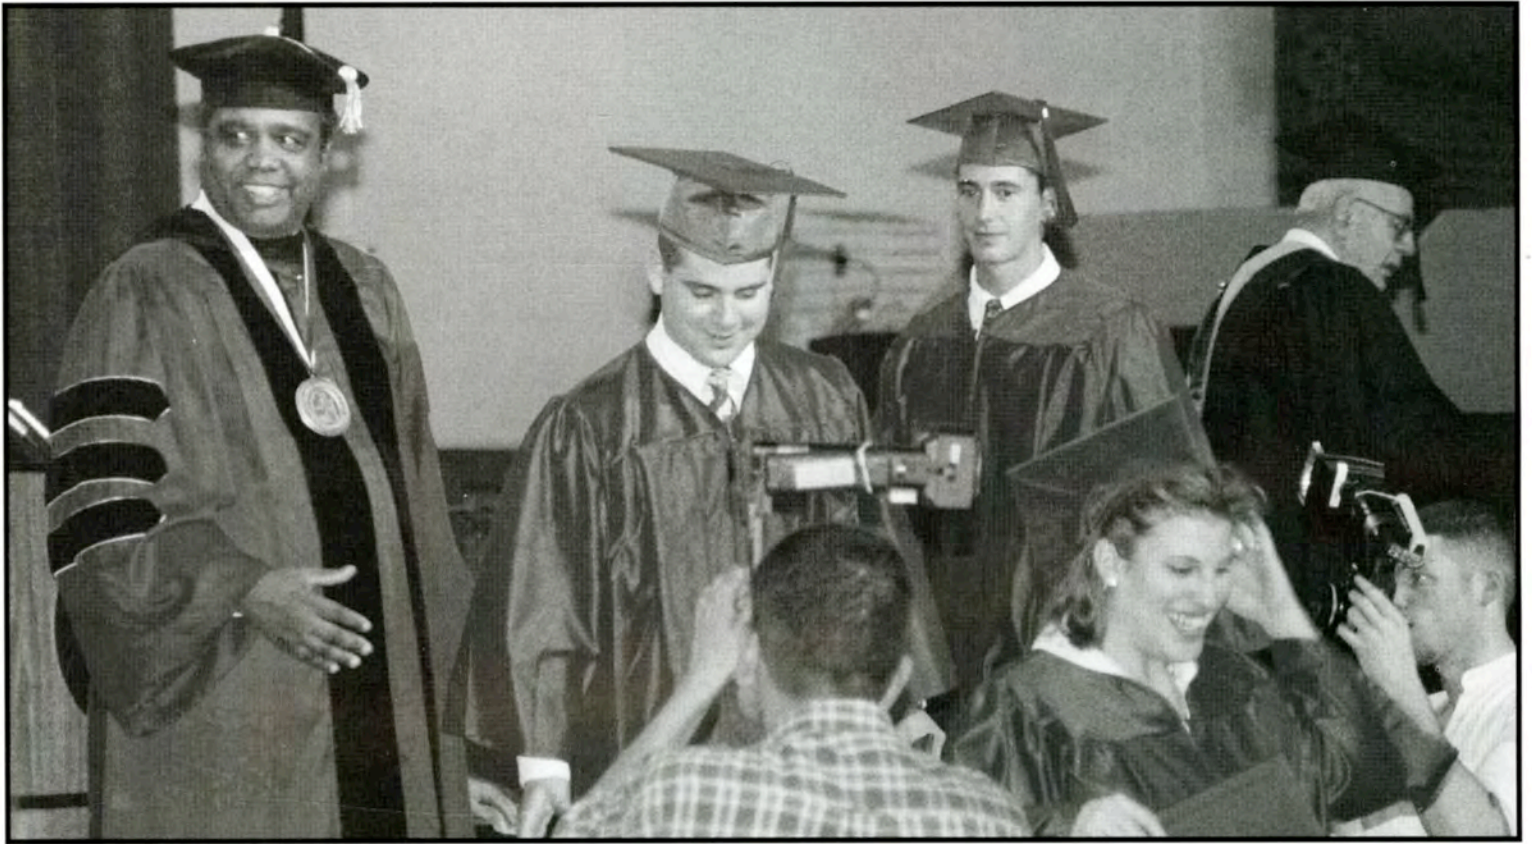

*I love you.
I love you.
I hope this graduation is happy for you.
Roses are red
violets are blue
if it wasn't for you
I "wood" be blue.*

*Love,
Grandma*

Jennifer Martin-

You've come a long way and your accomplishments are miles wide. I and many people are proud of you. Set the gearshift for high and coast through your remaining goals. Keep lighting up the dark rooms with your beautiful smile and good luck in the future. Congratulations!

*Love Always,
Dennis*

CHECK YA LATER!!

I can honestly say, being Editor-in-Chief of the 1998 yearbook has been an experience. One that I will not soon forget. All of the long hours in the office, the phone calls, the stress of the deadlines and the little sleep is now over. I must admit though, being Editor-in-Chief had been an incredible experience in which I have learned a lot! I learned that meeting deadlines is very stressful. I learned that putting a quality book together is easier to do in theory than it is in real life.

Morgan, Summa, Cheez, Brad, Smitty, Manalang, Terry and Chris thanks for all of your help this year. I know working on the yearbook was time consuming, but look what we did. This book rocks and I owe a lot to you, thanks. You all showed me what our brotherhood is all about.

George, the book is finally done. Thanks for all of your help with the book and fine tuning my mistakes for me. I know I had a lot of them. If it wasn't for you, this book would not have turned out so well. I appreciate all of your help this year.

Dennis, the photos you took came out great. Now get them out of my office. Dave thanks for all of your help the past two years with the book. Congratulations on graduating. Best of luck to you in the future. Jen and Corey, your perseverance and commitment was a plus to the staff. Thanks for all of your help. To the rest of the cardinal staff, thanks for all of your help with the book. You guys were the best staff an editor could have asked for, helpful and dedicated. Best of Luck to you all in the future.

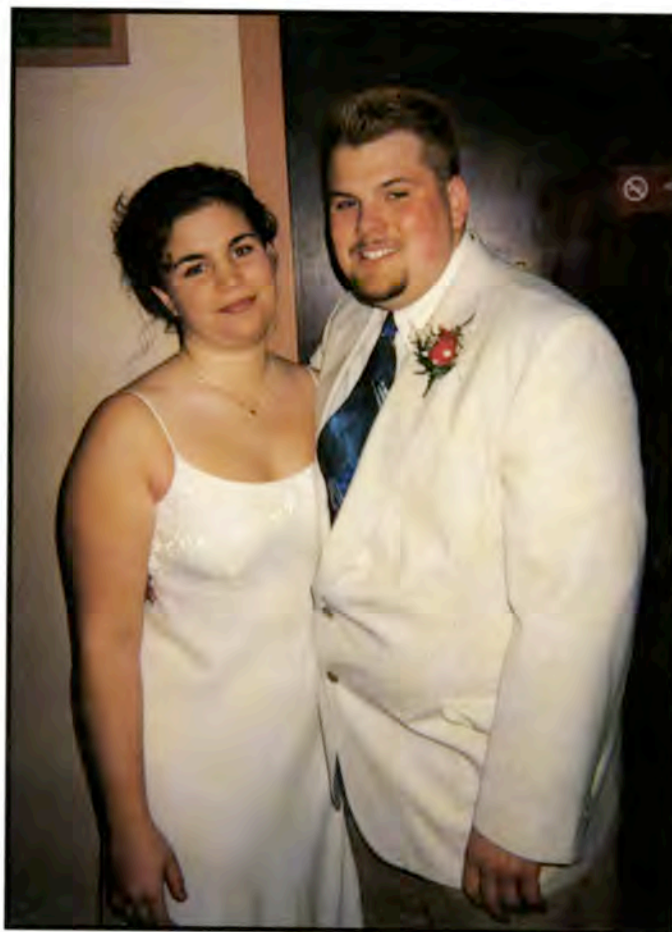

Finally, I'd like to thank Nancy and Chris Engl. Nancy, thank you for helping me out with all of my problems, and for being there when I needed you. Engl, thanks for all of your help with my financial problems and listening to me bitch and complain about the book. I appreciated it.

Saretto, thanks for listening to me this year and helping me out with my problems. Best of luck to you. Butler, you're still my "Elizabeth Shue". Best of Luck to you in your future. Your friendship is something I'll treasure for ever.

Last of all I'd like to thank my parents and my brother for putting up with me this year. I love you all. Thanks.

Congratulations to the class of 1998. You're finally out of Plattsburgh. Best of luck to you all in the future. See ya all next semester.
